Peterson's Point Lake Lodge

Point Lake, Northwest Territories

Multi-Day Barrenland Adventure

Spectacular Fishing | Scenic Hiking | Wildlife Nature Moments | History | Off-Grid Exploration

Over five days, experience the best of the Northwest Territories. Unplug and immerse yourself in the wide-open rugged landscape of the barrens. With lake shore access to abundant trophy lake trout, you'll have endless opportunities to feel the thrill of landing your personal best catch or even break the current 58lb lake record. Enjoy incredible hiking on time honoured caribou trails or leisurely walk on eskers to view stunning panoramas while looking for wildlife.

You might feel like you're walking on a land before time. These glacial swept lands stretch as far as the eye can see with rocks dating back billions of years. Even if you are not an adventurous hiker, within easy walking distance of the lodge, you will find plenty to explore. You may even find yourself snacking on some of the many berries that dot the land. Each day brings new opportunities, and there are plenty of activities to choose from, including scenic boating

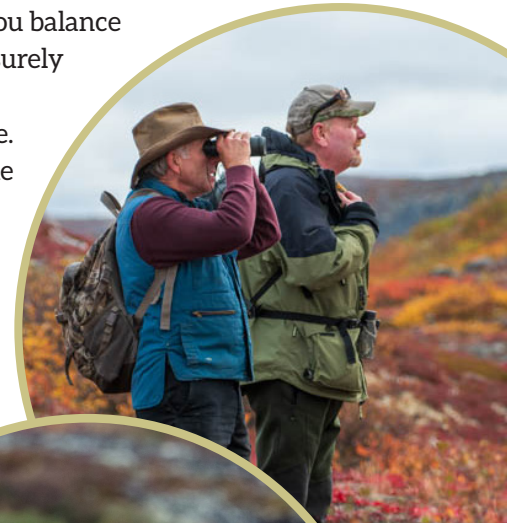

excursions on Point Lake, spotting wildlife, photographing the breathtaking scenery, and discovering the rich birdlife, including species that migrate thousands of miles to raise their young here during the brief summer.

You can also paddle a canoe, or fish for grayling right behind your cabin. For the brave, a refreshing lake swim awaits, followed by a relaxing wood-fired sauna. Wind down in the lodge's cozy lounge, surrounded by books about the region's rich history.

Flexible schedules let you balance active pursuits with leisurely moments, ensuring a personalized experience. Small group camaraderie makes every moment special and keeps guests coming back.

What's Included:

- Scenic return floatplane charter to Peterson's Point Lake Lodge.
- Four nights' accommodation in comfortable guest cabins/suites.
- Three daily meals, including packed or shore lunch options.
- 1 day guided lake trout fishing.
- 1 day guided boating excursion with hiking to scenic vantage points.
- 2 days guided walks/hikes from the lodge, leisure time or other nearby activity.
- Canoeing and berry-picking opportunities.
- Complimentary gear: fishing rods, reels, boots, and life jackets.
- Shuttle service from Yellowknife airport, hotel, and float base.
- Celebratory continental breakfast pre-departure.
